Declaration of Accountant

N.J.S.A. 18A:23-9. Declaration of Accountant. "No person shall undertake the auditing of the accounts of any school district unless he shall have qualified as a public school accountant for New Jersey upon proof that he is either a registered municipal accountant or a certified public accountant, of New Jersey, and by subscribing to the following declaration:

That he is fully acquainted with the laws governing the fiscal affairs of school districts/charter schools/renaissance school projects of New Jersey and is a competent and experienced auditor; and

"That he will honestly and faithfully audit the books and accounts of any school district/charter school/renaissance school project when engaged to do so, and report any error, omission, irregularity, violation of law, discrepancy or other nonconformity to the law, together with recommendations, to the board of education/board of trustees of such school project."

Peer Review

N.J.A.C. 6A:23A-16.2(i) requires that districts/charter schools engage only public school accountants who have had a peer review and obtain a copy of the audit firm's peer review. The board of directors/board of trustees is required to review the peer review report prior to the engagement of a public school accountant for the annual audit, and to acknowledge its evaluation of the report in the minutes in which the board authorizes the engagement of the public school accountant to perform the annual audit. Generally, auditors will submit the peer review with the engagement letter for a repeat audit or if a new audit, with the proposal when responding to a board of education's request for proposal.

The department recommends that auditors review the board minutes to determine that the peer review report has been reviewed prior to the audit engagement.

"In accordance with NJOMB Circular Letter 98-07 including any amendments or revisions thereto [NJOMB 04-04], a district board of education or charter school board of trustees shall ensure that the public school accountant provides a copy of the most recent external peer/quality report to the Department, within 30 days after the initial engagement of a licensed public school accountant or firm and within 30 days after the issuance of a subsequent peer/quality report."

It is the responsibility of the district/charter school to comply with the regulation of submitting the peer review report to the Department. Auditors are asked to inquire, early during field work, if the district/charter school has done this. A copy of the most recent peer review report must be provided to the department as soon as possible after the engagement letter has been signed.

The auditing of the ERESC's accounts shall be made only by a Registered Municipal Accountant or Certified Public Accountant of New Jersey who holds a current and active registration license as a **Public School Accountant** for New Jersey. The public school auditor shall declare:

- a) That he/she is fully acquainted with the laws governing the fiscal affairs of school districts of New Jersey and is a competent and experienced auditor; and

- b) That he/she will honestly and faithfully audit the books and accounts of any school district when engaged to do so, and report any error, omission, irregularity, and violation of law, discrepancy or other nonconformity to the law, together with recommendations, to the Board of Education of such school District.

The audit shall include an audit of the financial records, financial reports, funds, accounts, and verification of all cash and bank balances of the ERESC, and of any officer or employee thereof, and of any organization of public school pupils conducted under the auspices of the Board of Directors. These include:
